GENESEE COUNTRY VILLAGE & MUSEUM

# Too sweet to miss - Maple Field Trips!

**Coming up in March at Genesee Country Village & Museum**

## Sap, Syrup, and Sugar

**Program offered: Wednesday – Friday, March 8 – 10, 2023 and Wednesday – Friday, March 15 – 17, 2023**

*Perfect for PreK through 4th Grade!*

Kids are encouraged to learn with all their senses: smell the boiling maple sap, feel the cool, rough bark of a maple tree, listen to tales about the importance of maple in history and today — and even taste! Your class can register for an optional maple pancake meal to cap off your experience! This guided field trip for our youngest learners takes about 2.5 hours. Space is limited to 200 students per day with a limit of 1 adult per 10 students (including teachers).
