# Frequently Asked Questions

### How much is the deposit, and when will it be due?

Your non-refundable retainer is 50% of your rental charge and will be due at the time of booking. This is credited toward your bill. Add-ons can be made after the original contract is signed, up to 60 days before your event date.

### Are we allowed to use the caterer of our choice?

Yes! You are welcome to use your own caterer as long as they are fully licensed, insured and approved by the GCV&M wedding planning team.

### What if I want to have my ceremony outside and it rains?

If you book an outdoor ceremony location, an indoor location will also be reserved as a weather backup plan.

### What time would the ceremony and reception take place?

Ceremonies typically take place at 4 p.m. after the museum is closed. However, we are very flexible on the timing of your day and you are welcome to host your ceremony earlier than 4pm if you wish!

### Will staff be involved in setting up/taking down?

Staff will be responsible for the items we own or that you have rented through us. GCV&M will set up your tables and chairs according to your desired floor plan. You will be responsible for the set-up and take down of any personal decorations you bring on site and will leave with everything at the end of the day/night.

### Does the Museum provide any specific information for my guests?

We provide an information card upon request that is designed to fit most wedding invitation sizes. The card includes information on parking, and advice on negotiating the terrain of a Historic Village! This information can also be shared on your online wedding site or blog. Don't forget, all of your guests receive free admission to the Museum on the day of your wedding!
